Thanks Janice, so I should reassign this control to OCSPP as the lead office? I can also ask for cc to OW, OLEM and ORD? Thanks!

I would start with Laura Nazef and Karissa Kovner in OCSPP. If others have additional folks in mind, please feel free to share.

Yes, unfortunately I do not speak Dutch – though it is similar to German. I could do a quick google translate, if helpful. Looping in Janice, who is OITA's lead for chemicals for her advice on OCSPP contacts.

Thanks,  
Angela

Also, after a brief look, it is about PFOA, DuPont, etc. so it is likely something for OCSPP or perhaps some other EPA lead office handling the PFOA issue. OW handles certain aspects of it but so does OLEM, ORD, OCSPP depending on the sub topic.

Thanks,  
Katherine

Folks, this is in Dutch, not German, so not sure if Angela speaks Dutch too. Anyone know of a Dutch speaker in OITA or EPA?

Thanks,  
Katherine

Hi Angela, can you translate this control? In the meantime, I will contact OEX tomorrow and see if they have the original letter. Thanks!

Angela Bandemehr speaks German and can tell us what the German attachment says. But I think it's important to know what original letter he references in the English part of his letter so we know how to respond.
